A non-refundable \$5,000 registration fee is due before an I-20 will be issued.

The tuition rate for international students receiving the I-20 or F1 student visa from St. Mary's Preparatory is \$50,000 for tuition, and room and board. We provide a high level of administrative service, staffing, and when possible, language liaisons for international families/students thus causing the tuition and fee rate to be higher than for domestic students.

\$1,500 for all 9th, 10th, 11th & 12th grade students (due online during enrollment)

Other fees may include an \$100 parking fee (where applicable) and a \$175 pay-to-play fee (per sport).

In addition to the tuition and fees listed above, all students will be responsible for books, school uniform and various supplies from the bookstore. Estimated cost for these items is between \$500 and \$800 per Academic Year.

All families are also required to purchase \$500 in raffle tickets payable to St. Mary's Preparatory. Raffle tickets will be distributed in the Fall. Complete Raffle rules and requirements will be posted on the OLSM website prior to the distribution of tickets. Tickets and payments are due Monday, November 3, 2025. All payments not turned in by that date will be billed through FACTS on Monday, November 17, 2025.

Families will receive a \$1,000 "Family" discount for each student enrolled after the first student.

FACTS PAYMENT PLAN (REVISED: JANUARY 2024)

St. Mary's has contracted with **FACTS** to manage tuition collection for the 2025-2026 school year. Enrollment in **FACTS** is **mandatory** for every family. Families may choose to pay their tuition in full or make semi-annual, quarterly, or monthly payments through **FACTS**. Families may either select the 1st or the 15th as their payment due date. St. Mary's will assess a \$40 late fee to all payments not made on the due date you selected (1st or 15th). Families may choose to be sent invoices from **FACTS** or they may sign up for automatic deductions from a specified bank account, or charges to a specified credit card. Payment in full must be completed by July 15, 2025.

To set up your **FACTS** agreement, watch for an invite from **FACTS**. Payment arrangements through **FACTS** must be completed when you receive the invitation from **FACTS**. The earlier payment is begun, the smaller the monthly installments will be. A large down payment may be made to reduce the monthly cost.

Any family that pays in full by June 1, 2025, is granted a \$100 discount off the price of tuition.

Any family with more than one student enrolled at the same time will receive a \$1,000 discount on each student after the first.

All families, whether they choose to pay in full or make monthly payments, are asked to make a non-refundable registration deposit towards tuition when they register for the new school year.

No student will be allowed to begin taking classes without submitting the properly completed Registration and Health Forms online, paying the registration deposit, and enrolling in FACTS.
